

**Notre Dame Academy
Financial Aid
2012-2013 Academic Year**

Notre Dame Academy uses the FACTS Grant & Aid Assessment online site www.factstuitionaid.com to determine the extent of assistance a family needs. The Financial Aid Committee requires both custodial and non-custodial parents to apply online to FACTS Grant & Aid Assessment. In addition, the resources of stepparents should be included in the information provided online.

Deadlines for Applying for Financial Aid:

January 31, 2012

By this date the FACTS online application must be complete.
All required 2010 tax forms must have been submitted to FACTS.
All 2011 W-2 Wage and Tax Statements must have been submitted to FACTS.

March 2012

Financial aid decisions will be mailed to the parents of registered students.

April 15, 2012

All required 2011 tax forms must have been submitted to FACTS.

All the above deadlines must be met for a family's request for financial aid to be considered. In addition, the March offer of financial aid is conditional upon the receipt of the 2011 tax forms, and their consistency with the previous year's information supplied to FACTS. **It is the family's responsibility to verify with FACTS that all the necessary information has been received within the deadlines specified.**

Notre Dame Academy has a limited amount of financial aid to offer to families that demonstrate need. To be able to assist as many families as possible, the financial aid offered generally will not exceed thirty percent of the total tuition. Financial aid is a need-based grant and is not repaid; however each student who receives aid is asked to perform work-study of one 40 minute period per seven day cycle. Also, the parent is asked to assist the school as a volunteer. Financial Aid is awarded for one academic year. **Families must reapply for financial aid every year.**
